Location: Chhattisgarh
No. of positions: Four

About The Leprosy Mission Trust India (www.leprosymission.in)

The Leprosy Mission was founded in 1874 as ‘The Mission to Lepers’ by an Irishman named Wellesley Cosby Bailey, in Ambala, India. Subsequently in 1973, The Leprosy Mission Trust India (TLMTI) was registered as a Society under the Societies Registration Act of 1860. TLMTI is the largest leprosy-focused non-governmental organisation in India and is headquartered in New Delhi, India. The organisation works with people affected by leprosy and other neglected tropical diseases (NTDs), people with disabilities, and marginalised communities, especially women. TLMTI has a diverse set of programmes – Healthcare, Sustainable Livelihood, Community Empowerment, Advocacy, and Research and Training. These programmes are implemented through 14 hospitals and two clinics, six vocational training centres, five residential care homes for elderly persons affected by leprosy, community empowerment projects, and a research laboratory, spread across 10 states of India.

Roles and responsibilities:

(i) Assist in implementation of project activities as directed by the program manager
(ii) Carry out field work/visits to ensure implementation of projects as per the standard operating procedures
(iii) Assist in the data collection schedule as per protocol
(iv) Maintenance of records of collected data, do data entry as per instructions from the program manager
(v) To help the Supervisors for maintenance of inventory and stocks

Educational qualification and skills requirement

- Graduate degree in life science / social science
- Experience in data collection and experience is advantageous
- Proficient in computer skills in creating documents with tables and figures, manage large data sets in excel or statistical software and make presentations
- Experience in working with statistical software is preferable

How to apply?

Interested candidates can share their curriculum-vitae through jobs@leprosymission.in on or before 15 Feb 2020.

TLMTI is an equal opportunity employer and qualified women candidates / differently abled persons are encouraged to apply. Our policies and procedures reflect our commitment to child rights, child protection, safeguarding of our staff members, individuals / communities disadvantaged by leprosy and other marginalised communities.
